

Malay

Malay was born in 2009 in Putsor commune. She has 2 siblings. Her family was living in a small house. Her elder sister dropped school in grade 5. Three years ago, the family relied only on the father to work and support the family.

Before studied here, she was supported by Green Umbrella through scholarship program from a kind sponsor. Then she was selected to study in kindergarten at Karuna Kumar School of Green Umbrella

once we opened the first school year in 2013. She was very shy girl then. This year she studies in grade 4. She really enjoys her class.

Also, she is a very confident kid. Her mother and her elder sister are working at garment factory. Her father does manual labors. Her family situation is getting a lot better. They are living in a lovely traditional house which was built last year.
