

Sakk Kimsean

Kimsean used to be a GU's English teacher in 2015-2017. Then she resigned in June 2017 to prepare for her grade 12 Bac.II exam in August. When she heard the announcement for a grade 3 teacher for Karuna Kumar School Project, she applied as a candidate to challenge with the other three. After two steps of selection by interview and class teaching, she passed both steps with the highest score of the other and become a grade 3 teacher in KKS. She has started working for over months since November 2017.
